Shrimp Boil

This is a recipe that doesn't require exact ingredient measurement – just think of your taste and experiment. It couldn't be simpler!

Depending on the quantity of shrimp, use either of the following utensils:

7 Qt. (6.6L) or 10 Qt. (9.5L) and the 6 Qt. (5.67) Culinary Basket, or
3 Qt. (2.8L) Sauce Pan and 2.5 Qt. (1.49L) Culinary Basket

Directions:

Fill sauce pan or roaster with water half of the way full, add lemon juice, cayenne pepper, 2 onions quartered and 1 clove garlic peeled. Bring water to boil, approximately 5 minutes. Place shelled shrimp in culinary basket and lower into water. Boil until shrimp turns pinkish in color. Remove basket and drain in sink. Serve as shrimp cocktail, a main dish, or as a salad.
