Regal Ware, Inc. Welcomes Saladmaster Visitors from Around the World

On Friday, April 11, Regal Ware, Inc. welcomed hundreds of Saladmaster sales consultants from around the world, including Spain, Cyprus, Ghana, Australia and the United Kingdom.

These Saladmaster representatives received a warm welcome upon their arrival from the Regal Ware, Inc. family and joined in touring the manufacturing facility in West Bend, Wisconsin. In light of the event, Kraig K. Sadownikow, Mayor of the city of West Bend, proclaimed Friday, April 11 as *Saladmaster Cookware by Regal Ware Day*.
