

## **Saladmaster to House 35 New Families in Gawad Kalinga Village in the Philippines**

Mon, 01/19/2015 - 10:21am -- Saladmaster

Gawad Kalinga in the Philippines is building a nation empowered by people with faith and patriotism; a nation made up of caring and sharing communities dedicated to eradicating poverty and restoring humanity.

As a proud sponsor, Saladmaster's tagline *We Change Lives* has never been more of a call-to-action than it has become through the collective efforts of Saladmaster dealers and consultants throughout the world in supporting the GK777 initiative. Groundbreaking for the Saladmaster Village in the Philippines occurred in 2007, which began to provide a new start in life for people displaced by poverty and other circumstances.

It is through continued donations from generous Saladmaster donors that on February 13, 2015, 35 new houses will be released to families that were victims of typhoons Haiyan or Yolanda that greatly affected the Philippines last year.

According to a GK spokesman, "Poverty is not just an absence of money but an absence of community and values. It is not a lack of resources but a lack of caring and sharing. It's very important to give people back dignity and hope."

*While it's been said that it takes a village to raise a child, Saladmaster will continue to show that a committed direct sales company can raise a village.*
