1/2 box
chocolate cake mix

(226.8

g)

- 1 celery stalk, shredded, use Cone #1
- 1/2 zucchini, shredded, use Cone #1
- 1/2 apple, shredded, use Cone #1
- 2 eggs
- 1 Hershey's Special Dark chocolate bar
- strawberries, sliced, use Cone #4
- white chocolate shavings, use Cone #1 (optional garnish)

Directions:

1. Lightly coat the inside bottom of the skillet with cooking oil spray. Preheat pan on low heat.
2. Put cake mix into the Saladmaster stainless steel bowl. Process celery, zucchini and apple using the #1 Shredder Cone with your Saladmaster Food Processor and add to the cake mix.
3. Add eggs and stir ingredients until well incorporated.
4. Pour batter into pan, cover and place pan on stovetop to cook over medium-low until the center rises. (approximately 20 - 25 minutes.) Cake is done when a knife inserted in center comes out clean.
5. Flip cake onto serving platter and place Hershey's chocolate bar on top of hot cake. Allow chocolate bar to melt, spreading chocolate evenly over cake.
6. Top with sliced strawberries. Garnish with white chocolate shavings, if desired.

Tips:

- Strawberries slice better when using the Saladmaster machine if frozen.
- Parchment paper may be used instead of non-stick cooking spray.
- Cooking time may vary depending on stove temperature.
