## **Recipe Description:**

This salad makes a great addition to any meal. It is light and crunchy. Napa cabbage leaves are made of primarily water- in which case it is low in calories. If edamame is added into the salad it will boost up the protein content in the salad. It is also loaded with calcium and healthy fat from the sesame and sunflower seeds.

```
Salad
     1 whole
napa cabbage, washed and shredded, use Cone #2
     1 cup
shelled cooked edamame (optional)
(155
g)
     \frac{1}{3} cup
